**2022/175 Merryfield Messenger Update**

The village hall committee members advised they are looking for coordinator for the messenger and perhaps an independent editor. The existing design is under review, including the total number of pages of the publication, and they are approaching companies for sponsorship. It is hoped that a coordinator will be in place for November/December. Cllr Simpson offered to publicise the requirement of a coordinator on the parish council Facebook pages if it would help.

**2022/176 Play Park Gate Installation**

At the previous meeting, Cllr Sherwood requested reconsideration of the motion to install a gate to the exit. The Clerk sought opinion and advice from the play inspection companies. There was no specific requirement advised, and the Clerk advised that the installation should be decided based on the level of perceived risk.

Having considered the advice received, and opinions given by users of the park, Councillors voted in majority to go ahead with the installation of the gate.

**ACTION – Quotes for installation to be sought.**

#### **2022/177 Volunteer Thank You Event**

The parish council has a number of volunteers who give up their time to assist in various tasks around the village. Cllr Mackenzie-Green proposed holding a 'thank you' event at the village hall with a buffet and refreshments. It was suggested this could involve also inviting the volunteers for the village hall, in exchange for waiving the hall hire fee.

All councillors voted in favour of holding the event.

**ACTION – The Clerk to liaise with village hall committee for dates.**

#### **2022/178 Copse Lane Land Use – Clarification of Charging Policy**

The following points were agreed in terms of the use of the land at Copse Lane:

1. Where the land is to be used in conjunction with the hire of a venue, such as the Village Hall or Cricket Club, a £10 hire fee will apply. Use can be requested by and invoiced to either the venue or party hiring the venue.
2. There is no specific notice period required to request use of the land.
3. Exclusive use will apply for any dates hired. The parish council are unable to prevent access by other parties and this would need to be managed by the hirer.
4. There will be no charge applied for use during the following types of event:
  - a. Children's and Junior cricket training and matches.
  - b. Disabled cricket training and matches.
